## League Season Opening Budget Article 2026

A new country footy season is underway.

Across the state, clubs continue to build from strong foundations - driven by local people, local leadership and a shared commitment to their communities.

At the centre of it all are volunteers.

They run the canteen, line the fields, wash the jumpers, coach the kids and umpire the games.

Week in, week out, they make footy happen. Their contribution is what keeps country football strong and communities connected.

Our junior competitions are ready to welcome the next generation. For young players, footy is more than a game - it's where friendships are formed, confidence is built and important life skills are developed. Strengthening junior pathways remains a clear priority.

Wellbeing will also continue to be a focus in 2026. Clubs are creating environments where people feel supported, connected and safe. Through partnerships with Healthway, Tackle Your Feelings and the AFL, we're continuing to build capability across the system.

Behind the scenes, our regional teams are already at work - supporting member leagues, growing participation and ensuring football remains accessible across all parts of Western Australia.

Country football has always been about more than the scoreboard.

It's about people, place and the role the game plays in holding communities together.

Here's to a strong 2026 season.
